Ohio Revised Code Section 3327.01 provides requirements on the transportation of students to and from non-public charter and community schools. A student in your school may be entitled to transportation services by the Discovery Academy based on eligibility status. This communication will serve as notice that Discovery Academy, providing equivalent service to district students, will transport K-6 eligible non-public charter and community schools over 1.25 miles for the school year 2025-2026.
